

JAIM — Industrial Product Manufacturing SSW Member Company List

English translation of the official JAIM (Japan Association for Industrial Manufacturing Skills) member registry — companies registered to employ Specified Skilled Worker (SSW) foreign nationals in the Industrial Product Manufacturing field. Source: jaim-skill.or.jp, updated 2026/08/21. Total companies listed: 14348. Company names are kept in Japanese since that is how they are registered legally; all other fields are translated to English.
